**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Free competition is the foundation of this country. It is being impossible for my local internet provider to install higher internet speed on my neighborhood.

The Internet is a basic access for all citizens and it needs to keep it that way, free from the big sharks trying to regulate it and make more money with it.
